

Homecoming Kings and Queens

It was an eventful time of the year again when Loyola Institute of Business Administration hosted its Annual Alumni Meet on February 14, 2016. The event commenced by extending a warm welcome to all the former students. The Prayer Song and Lighting of the Kuthuvilakku set an auspicious tone by invoking the Almighty's blessings.

The Founder and President of LIBA, Rev. Dr. Casimir Raj S.J updated the alumni on the events conducted by LIBA for the current academic year. He also apprised them of all the social work activities that were undertaken. He requested the alumni to extend and continue their support in helping the underprivileged.

The video titled 'Life at LIBA' was screened to take the Alumni on a trip down memory lane. The Alumni Newsletter was released and handed over to the Alumni representatives. The Newsletter is not only a chronicle of the events happening at LIBA, but it also honours the alumni by dedicating a column, 'Alumnus of the month' to know the success mantra of those who have been doing exceptionally well in their chosen career paths. This is undoubtedly a great source of inspiration to the students of LIBA. The cutting of the cake gave a joyous feeling to all those who were present. The alumni then shared their amusing and memorable moments at LIBA. The student representative of the LIBA Alumni Committee delivered the vote of thanks which marked the conclusion of the event. The alumni left the corridors of LIBA yet again with many more memories and contentment in their hearts.
