Director & Professor of Decision Sciences

Dear Alumni,

June 13, 2016

Greetings from LIBA!

Glad to inform you that I have taken over as Director of LIBA from June 1, 2016 after a gap of four years. My Provincial Superior asked me to take up the mantle at this critical juncture to revive LIBA with a goal to take it to the top 10 B-Schools in the country.

During this sojourn of four years I have been involved in various administrative positions and consultancy projects at the national level and at the global level.

I profusely thank you for being the Brand Ambassadors of LIBA and earnestly contributing towards its growth and development. I count on your continued support and assistance in our goal of taking LIBA to greater heights.

I will be happy to hear from you, if you have any suggestions for LIBA to take forward in its drive towards excellence and ethics and how you could collaborate and actively participate in this journey.

At this juncture I would like to make known my deep gratitude to Fr. Casimir Raj for his extraordinary contributions to LIBA and to enliven the Alumni Association. Though Fr. Casimir Raj will be away, he will continue to be associated with you and LIBA.

I would also like to appreciate the tremendous efforts taken by Dr. Vandana Zachariah in connecting with you and building and strengthening the alumni base of LIBA.

Please feel free to contact me (director@liba.edu) or Dr. Vandana Zachariah (alumni@liba.edu) at any time.

I also place on record, with appreciation, your deep concern for and interest in your Alma Mater without which it would not be possible for LIBA to move forward.

God Bless You! Wishing you the Best in your life and work,

With warm regards,
