Onam Celebration at LIBA was held on September 18, 2014. The Malayali Family of LIBA came together to organize the event and celebrated the festival of Onam in style with one and all. The arrival of Mahabali with the traditional Chendamelam was a treat to the eyes. Dance performance by students, selection of MalayaliManka, a scrumptious Onasadhya (the onam feast) and games like “Bombing of the City” rendered an electrifying experience. After that came the much awaited event, The Vadammal (Tug-of-War) between the F13 & F14 Batch of students. After three grueling rounds of Vadammali the F14 boys and F13 girls emerged victorious.
