

IVAN AROKIARAJ DAVID

I stood bewildered as I entered this abode of
knowledge and sapience

Splendid were the people that LIBA tendered

Made me ponder if I would make it, to be the
leader that she visions me to be.

Learnings and the experiences in LIBA overflowed
like a fountain.

To the world there is one thing I can fearlessly say,

LIBA has made me to be what the world wishes to
see!
